

### TUFF COVER MANHOLE COVER

Product Code	Pricing Unit	Colour	Dimensions	Thickness	Pack Quantity	Pallet Quantity
PGM6	Each	RED	750mm x 750mm	79mm	1	10

#### Product Description:

Tuffcover is a lightweight temporary manhole cover solution, designed to fit over a standard sized manhole and withstand a 4-tonne central loading point.

Tuffcover is a safe and reusable solution for covering manholes during construction and ensures that no dirt or debris can fall into the system. It is the perfect alternative to traditional methods such as plywood

#### Benefits:

- Maximum Weight Loading – 4 tonnes
- Quick & Easy to Use.
- Easy to Clean
- Reusable
- Locks into Position

#### Application:

Measure the void hole size to ensure the cover will fully fit over the aperture. Carefully place the cover over the hole. Finally, use the key provided to twist and lock the cover into place. To remove, simply twist the key in the opposite direction and lift the cover away.

#### Performance Data:

Dimensions	750mm x 750mm
Thickness	79mm
Basic Component	Engineering plastics with nylon-6 PA22 10G3
Max Bearing Load (tons)	4
Connecting Holes	0
Hand Holds	0
Weight (Kg)	12
