Product Description:

Proguard Meter Box Covers manufactured from strong corrugated polypropylene and are designed to provide long lasting impact, abrasion & splash protection to meter boxes during construction works. They are bright yellow coloured, with clear marking on the face to increase site visibility and help prevent accidental impacts.

Proguard Meter box covers are reusable and fully recyclable.

Benefits:

- Provides efficient protection from knocks, scratches, and spills.
- Durable and reusable.
- 100% waterproof.
- Personalised logo and branding printing available.
- Resistant to chemicals.
- 100% Recyclable.
- Lightweight for easy handling

Limitations:

- Product may become slippery when wet. Mop up any spills immediately or replace where necessary.

Application:

Fold the flat-packed cover along the pre-made creases, push the tabs into the slots provided to complete assembly. Place the cover over the meter box. Secure to the wall using Proguard Cloth Tape.
